

WILLIAM GORDON WINERY
2015
CABERNET SAUVIGNON ESTATE
Alexander Valley, Sonoma County, California

TECH DATA:

The Pesonen Vineyards are located in the Northern Alexander Valley between Asti and Cloverdale, on the eastern hillsides overlooking the Russian River. The vines were planted in 1999 using clone 337. This clone produces smaller clusters and berries known for intense concentration of flavors and aromas. Due to the steep nature of the vineyard terrain, most of the farming is done with manual labor. The soils are rocky and well drained.
